COLLEGE ACADEMIC COMMITTEE

Objective:

The Academic Committee is a vital link between the student body and the faculty. The significant function of this committee is to act as a medium of communication between the students and the faculty. The agenda of this committee is to keep the students aware of their academic standing and reducing blind-spots. It takes up the responsibility of imbibing best practices so that future student's community can have better system in place. It also arranges regular interaction between faculty and students. It also holds responsibility for conducting practices like academic award functions to honour students for their academic excellence.

Functions of Academic Committee

- Arranging teaching requirements for successful completion of academic programs of the college and supervising the same periodically.
- Facilitating Controller of Examinations for making arrangements for conducting examinations, as per the norms of JNTUH.
- Recommending the Governing Body for providing the necessary infrastructural, human resources and other requirements for progressing towards achievement of the vision of the college.
- Facilitating supervision of the functioning of computing and IT infrastructure, central library and other learning resources of the college.
- Facilitating promotion of research culture in the college through collaboration and corroboration among faculty.
- Encouraging collaboration with other academic institutes and industry.
- Creating a conducive environment for development of entrepreneurship.
- Ensuring discipline among students.
- Facilitating and supervising the co-curricular activities of the students.
- Recommending the Management for encouraging students with awards, stipends, scholarships, medals and prizes and so on.
- Inspiring students to be creative and innovative and recommending management to encourage them with financial support towards the same.
- Appointing committees from amongst the college teaching faculty and experts from outside, in order to sort out and advise on specific academic issues and consequently acting on the recommendations of such committees after due consideration.
- Planning and executing the overall academic growth of the college by making recommendations to the Governing Body, wherever necessary
