National Remote Sensing Centre (NRSC-ISRO) industrial visit

2 messages

Dinesh Poosala <rm5-task@telangana.gov.in>

Sat, 25 Mar, 2023 at 2:17 pm

Dear Sir,

National Remote Sensing Centre (NRSC-ISRO) arranges industrial visits for students of colleges at Outreach Facility, Jeedimetla, Hyderabad.

The maximum number of students allowed for the programme is 20 **from each college**.

Please send the students data and faculty data in **attached** format by 28th March 2023.

The program will include

Lecture on 'Indian Space Program' – Slightly customizable based on the target group, a video show on different achievements of ISRO and interaction with the scientists.

Visit exhibitions showcasing

- o ISRO / Space Science exhibits
- o Launch vehicle models
- o Satellite models
- o Satellite images
- o Space on Wheels exhibition bus
- o

The total duration of the program is for around **3 hours**.

The college students and faculties should reach the Campus by 9:00 AM. The seminar will start at 9.30 AM.

Students should strictly follow the Covid Guidelines, stated as below:

Students should have their College ID Cards.

Students should follow a single line maintaining a distance of 2 m between them.

- 4) Please do not touch any exhibits or posters.
- 5) Directions/paths should be followed. They are marked on the walls and the ground.
- 6) Boundaries are marked with Red tape. Please do not cross them.
- 7) Signboards show the way for drinking water and washrooms. Take their help.
- 8) Do not move the chairs in the lecture halls. They are kept by maintaining social distance.
- 9) Keep the campus clean. Use dust bins.
- 10) Do not go to unknown places. Take the help of staff, if needed.

All the faculty members are expected to monitor their students and adhere the guidelines.

Regards

Dinesh Poosala,
Relationship Manager,

1. Mr. B. LAXMAN NAIK, Assistant Professor
2. Ms. V. MANASA, Assistant Professor
3. Mr. R. SHEKHAR BABU, Assistant Professor

On receiving the letter of permission from National Remote Sensing Centre (NRSC-ISRO). Students with our faculty members went on an industrial visit to National Remote Sensing Centre (NRSC-ISRO) on 31-03-2023. We all assembled at the college at 10:00am and left the college in a college bus. We reached the NRSC-ISRO gate at 9:00am. Assistant Engineer permitted us at 9:30am and provided two maintenance Engineers for explaining the plant details. Afterwards they explained the details of equipment and its functioning in the plant.

Visited sections in the company:

- ISRO / Space Science exhibits
- Launch vehicle models
- Satellite models
- Space on wheels exhibition bus

Purpose of visit:

Our main purpose for this visit is to be familiar with industrial environment and get Practical Knowledge.

Outcom:

Students get aware of working processes and get Practical Knowledge.

Respected sir,

Sub: Industrial visit of our students in your esteemed organisation – Req – Reg

With reference to the subject cited above I am requesting you to give permission to our students to visit your organisation for one day, so that they get familiar with the industrial environment and improve their practical skills. And also, it is a part of program (Industrial – Institution – Interaction) Program to our B. Tech students in which they get exposed to the industrial environment by visiting various industries. Hence, I humbly request you to permit our students for the visit and provide the required assistance for that I will be very grateful to you. Three staff members will be accompanied along with the students to take care of them during the visit and ensure disciplined learning atmosphere

The details of proposal is as given below:

Class & Branch : R18 III B. Tech, Mechanical Engineering

No. of students : 28

Names of the staff members :1. P. Sudheer Kumar Asst. Professor

2. V. Anusha Asst. Professor

3. K. Chandulal Asst. Professor

Proposed dates of visits : 27-09-2022 to 29-09-2022

Thank you and looking forward for your favour

Your Sincerely

Respected sir,

Sub: Industrial visit of our students in your esteemed organisation – Req – Reg

With reference to the subject cited above I am requesting you to give permission to our students to visit your organisation for one day, so that they get familiar with the industrial environment and improve their practical skills. And also, it is a part of program (Industrial – Institution – Interaction) Program to our B. Tech students in which they get exposed to the industrial environment by visiting various industries. Hence, I humbly request you to permit our students for the visit and provide the required assistance for that I will be very grateful to you. Three staff members will be accompanied along with the students to take care of them during the visit and ensure disciplined learning atmosphere

The details of proposal is as given below:

Class & Branch : R18 III B. Tech, Electrical and Electronics Engineering
No. of students : 39
Names of the staff members : 1. B. Ramesh Asst. professor
2. MD. Gousiya Begum Asst. professor
3. A. Durga prasad Asst. professor
Proposed dates of visits : 07-11-2022 to 12-11-2022

Thank you and looking forward for your favour

Your Sincerely
