EXTRA CURRICULAR ACTIVITIES COMMITTEE

Extra-curricular activities are important aspects in student life. Students, by organizing or by participating in activities like Women's Day, Constitution Day, Blood Donation Camps, Earth Day, World Environment Day, Save Soil, etc. can cultivate their personal interests, develop their talents, enhance their inter-personal skills, and foster their team spirit.

Anubose Institute Of Technology has constituted an Extra Circular Activities Committee to explore interests and create developmental activities in students of Higher Educational Institution (HIE) as per the Guidelines prescribed by UGC

Vision

The Extra-curricular activities committee's vision is to provide students the opportunity to better explore their interests and to groom their overall personality

Mission

At Anubose Institute Of Technology, we emphasize on the student's participation in extra-curricular and Co-curricular activities in helping them develop into responsible and citizen-conscious individuals. These activities foster new areas of growth that help shape character, enhance interaction and promote leadership qualities. We strive to support a wide range of activities that students can choose from, which are often steered by events initiated by students ministered by our dedicated staff

Functions of Special cell

1. To suggest various cultural activities to be organized in an academic year
2. Plan and organize various activities on behalf of NSS and encourage students/staff to participate in NSS, Blood donation camp etc
3. To suggest the methods which encourage students and faculty to utilize sports and games facilities available in the college
4. Selection of teams to represent the college in inter-collegiate tournaments and also the intramural tournaments

5. Selection of teams to represent the college in inter-collegiate tournaments and also the intramural tournaments,

6. To prepare the details of attendance exemption to be given to the students representing college in various sports and games.

7. To increase the cordial relations between students and faculty by organizing exhibition games between the teams of students and faculty wherever possible.

Objectives

- The committed should improve academic performance.
- It should explore interests and create broader perspectives
- It should create higher self-esteem and social opportunities.
- To promote creativity and sharpen the critical thinking of the students
