## **TRANSPORT COMMITTEE**

### **INTRODUCTION**

The Transport committee of Ideal Institute of Technology is established by professionals to provide strategic solutions to student transportation issues.

We endeavor to provide the best possible transport service for all our students and faculty. We place the safety and responsibility of the students as our highest priority.

### **OUR MISSION**

To provide safe and reliable transport services to the students at the highest levels of safety, quality, customer service and positive employee relations.

### **OUR VISION**

To be the safest and the most comfortable college transportation without compromising on safety, professionalism, training, leadership and quality

### **OUR COMMITMENT**

We are committed to provide the best college transport service with highest safety measures and comfort to every student.

### **PROFILE**

When the College started functioning in 2009, the management decided to provide transportation between various parts of Kakinada city and the college. Initially three busses started operating between the college and the city. As the number of courses offered increased, the total strength of the college also increased recently and now one more buses are operating from various parts of paloncha.

Transport is also provided Busses for examination centers. On special occasions, busses are utilized for industrial visits and social service activities.

The college owns 4 busses, Tata Ultra-2 with 56 seats, Tata Marcopolo-1 with 38 seats, Tata Marcopolo-1 with 52 seats. A transport committee headed by Administrative officer & Transport in charge is formed to take care of the smooth operation of the buses. The transport committee meets once in six months and the Principal and the staff members of committee attend the meeting

### **Composition of the committee:**

- The composition of the committee comprises Principal as a Chairman of the committee and one senior faculty member as a coordinator.
