

Examination Committee

Examination Committee is a body which is authorized to conduct examinations and make decisions in regard to organizing examinations.

The examination Committee deals with all the matters in relation to examinations and hears the complaints received pertaining to any matter arising out of the conduct of examinations and decides the course of action.

Vision:

Vision of the examination committee is to establish and maintain the rules and regulations for qualitative and reliable assessment and evaluation of students. The core purpose of examination is to encourage students for regular study to achieve academic excellence.

Mission:

The mission of examination committee is to design plans and strategies for transparent, robust and continuous evaluation of students.

The main effort of the house examination committee is to set a standard examination and evaluation profile of the college in pace with the affiliated university.

Functions of Examination Committee:-

- * To conduct the Internal/External/Practical Examinations for all the branches offered in the college.
- * To follow the schedule time-table for the above-mentioned examinations in advance and inform the students about the same.
- * To allot the exam halls for all the examinations conducted in the college. To ensure that all the question papers are prepared well in advance.
- * To collect all the answer script and the supporting documents required.
- * To arrange for Internal Valuation of exams. To address the grievances/complaints of the students and staff concerning exam-related issues.

Objectives of Examination Committee:-

- * To conduct the Internal as well as University Semester End Examinations.
- * To take measures to prevent malpractices in the examination and to do the needful for the smooth conduct of examination.
- * To create amongst the faculty and the students the awareness about the University guidelines regarding conduct of examination and to insure the strict implementation of the same.
- * To encourage the faculty to evolve innovative tools and techniques of students evaluation.
- * To maintain secrecy, transparency and accountability in examinations. To solve the grievances of students regarding examination
