Bhadradri Kothagudem Dist.

About ABIT

Anubose Institute Of Technology (ABIT), located at Paloncha-507115 an industrial hub in Bhadradi Kothagudem district, is sponsored by the National Educational Trust, Paloncha. The members of the trust are eminent personalities in various walks of life and dedicate their selves to the cause of education. In light of this, ABIT has been established in 2008 with special attention to the technical education and approved by AICTE, New Delhi and affiliated to the premier and world renowned Jawaharlal Nehru Technological University, Hyderabad.

The ABIT expands itself as "Always Best In Technical-education" by making use of the latest technologies and quality teaching. It lays emphasis on innovative research, investment in high-quality facilities and first-rate infrastructure.

VISION

To flourish as a centre of excellence for producing the skilled technocrats and committed human beings.

MISSION

IM1: To create conducive environment for teaching & learning.

IM2: To impart quality education through demanding academic programs.

IM3: To enhance career opportunities by exposure to recent & industries technologies.

IM4: To develop professionals with strong ethics and human values for the betterment of society.

About IQAC

Internal Quality Assurance Cell (IQAC) was established at Anubose Institute of Technology, on 01 July 2017. The IQAC should be a part of the institution's system and work towards realizing the goals of quality enhancement and sustenance.

The ABIT IQAC cell has to make a significant and meaningful contribution through channelizing the efforts and measures of an institution towards academic excellence.

Objective:

- To develop a quality system for conscious, consistent and catalytic programmed action to improve the academic and administrative performance of the Institute
- To promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.

Resource Person

Mr. J. SRINIVAS

HOD-EIE, GPT Rudrampur.

Program Objectives

Outcome-Based Education (OBE) is a student-centric teaching and learning methodology in which the course delivery, assessment are planned to achieve stated objectives and outcomes. It focuses on measuring student performance i.e. outcomes at different levels.

Topics Covered

- Vision, Mission & Outcome Based Education,

Implementation of OBE, Mapping & Attainment of COs and POs,

- Mapping & Attainment of COS and Pos.

OBE based Teaching Learning Continuous Improvement based on PO/PSO Attainment

Program Outcome

Outcome based education is an educational methodology where each aspect of education is organized around a set of goals (outcomes). Students should achieve their goal by the end of the educational process.

Resource Person

Dr. YALLA VENKATESWARLU,
Professor in CSE Dept.,
BVC College of Engineering, Rajahmundry.

Program Objectives

Programme aimed to offer guidance and resources to participants, enabling them to develop action plans and implement OBE effectively within their educational context.

Topics Covered

- While the traditional education system focuses on content delivery and knowledge accumulation, OBE prioritizes the attainment of specific learning outcomes through a learner-centered approach.
- OBE encourages the application of knowledge, critical thinking, problem-solving, and communication skills.

Program Outcome

1. Increased Understanding of OBE.
2. Enhanced Curriculum Design and Alignment Skills.
3. Improved Assessment and Evaluation Practices.
4. Adoption of Student-Centered Approaches.
5. Collaboration and Best Practice Sharing.
6. Action Plans for OBE Implementation.

Resource Person

Dr. YALLA VENKATESWARLU,
Professor in CSE Dept.,
BVC College of Engineering, Rajahmundry.

Program Objectives

This Workshop on NAAC Accreditation and Assessment was organized by IQAC of our college with the aim of providing faculty members, with a comprehensive understanding of the NAAC accreditation process and guidelines.

Topics Covered

#1: Curricular Aspects

#2: Teaching, Learning, and Evaluation

#3: Research, Innovation, and Extensions

#4: Infrastructure and Learning Resources

#5: Student Support and Progression

#6: Governance, Leadership, and Management

#7: Institutional Values & Best Practices

Program Outcomes

It is expected that the workshop would result in an understanding of various issues pertaining to the assessment and accreditation procedure of NAAC. The workshop would try to orient the stakeholders the importance of accreditation and the benefits accrued to it for sustaining quality education in HEIS.
