REPORT ON BEST COMMUNITY SERVICE BY ABIT

Community Service provides students with the opportunity to show compassion, leadership, creativity and depth knowledge. Community service is a part of civic responsibility. Its about doing things because we want to give back to our community or help others. Community service demonstrates a level of civic awareness and empathy for others. A medical health camp is a temporary event that offers free or subsidized medical and educational services. Health camps are important in rural areas because they make medical care accessible to people who don't have access to medical facilities. Renewal energy sources such as solar can cut down green-house gas emissions dramatically thus promoting environmentally friendly atmosphere for sustainability in the campus.

The college has organised many health camps & awareness programs and secured "Best community Service Award" from Palwancha Municipal authorities for conducting many awareness programs which played a vital role in maintaining eco-friendly ambience on 8th June 2020.

AN IDEA FOR TELANGANA GOVERNMENT ON HARITHAHARAM SCHEME

AN INTIATIVE TO CURB GLOBAL WARMING AND CLIMATE CHANGE

Report on Haritha Haram

"Telangana Ku Haritha Haram", better known as Haritha Haram is a noble initiative of the Telangana Government to introduce large scale reformation. It was organised by students of the college. The program was inaugurated by Dr.T.Bharath Krishna and Dr.N.V.Subba Rao by planting the first sapling in the college premises. This was preceded by a short presentation by students on importance of having a clean and green environment. The students spread awareness on the importance of planting trees through slogans in and around the campus. The programme lay thrust on planting medicinal and air purifying plants. The Principal and students planted the saplings.

On 3rd July 2019, the village Sarpanch of Yanambilu, Mr.Pasuvula Gopi, awarded Anu Bose Institute of Technology for their service in conducting Haritha Haram Program successfully by "AWARD OF EXCELLENT SERVICE".

REPORT ON BEST GREEN ENVIRONMENT CAMPUS AWARD**CLEAN AND GREEN ENVIRONMENT**

A clean and green environment can provide fresh air, reduce pollution and improve quality of life. It can also help preserve natural resources, protect endangered species and promote good health. The cleanliness at public places gives a positive image. The proverb "Cleanliness is next to Godliness", implies that we need to keep our surroundings clean. The combination of clean India and Green India makes the perfect and developing moment of India. It also helps in reducing global warming. With this motto Anu Bose college has taken an initiative to keep the campus clean and green.

On 22nd August 2018, Yanambylu village sarpanch Mr. Pasuvula Gopi, announced Anu Bose institute of Technology as the best green environment campus for their contribution to clean and green environment in the locality. The sarpanch of the Gram Panchayath Mr. Pasuvula. Gopi of Yanambylu awarded the college for the same.
