Documentation: All proceedings, discussions, findings, and outcomes are documented meticulously for future reference and transparency.

Reporting: The committee periodically reports its activities, outcomes, and recommendations to the college administration. This helps maintain accountability and transparency in grievance redressal process.

Preventive Measures: The committee identifies recurring patterns or systemic issues contributing to grievances and recommends proactive measures to prevent similar issues in the future.

Awareness and Education: The committee organizes workshops, seminars and awareness programs to educate students to use the process effectively.

Supportive Environment: The committee works to create an environment where students feel comfortable raising concerns and trust that their grievances will be taken seriously and resolved appropriately.

A Committee was formed with the following members.
