REPORT ON ACTIVITIES FOR THE IMPLEMENTATION OF THE INITIATIVES

The effect of waste management system to keep the college premises clean and green by the use of **"colour coded dust-bins"**

Municipal workers regularly collect the waste from the institute, hence to get the **"clean and Green campus"** for every day.

ABIT organized **"tree plantation programme"** for every year in the campus on the conduct of special event and to celebrate the special days like Haritha haram programme.

Report on Dustbins for Waste Disposal:

ABIT has installed a set of dustbins across the campus, strategically placed in easily accessible areas such as classrooms, corridors, and outdoor spaces. Each dustbin is labelled and corresponding waste category. The introduction of dustbins at Anubose institute of management (ABIT) has proven to be a successful initiative in promoting responsible waste disposal. By simplifying waste segregation and raising awareness, the institution has taken a significant step towards creating a sustainable and eco-friendly campus environment. The positive results achieved through this endeavour emphasize the importance of such initiatives in achieving effective waste management systems. The dustbin system implemented by ABIT is a simple but effective way to improve waste management on campus. By reducing contamination, increasing recycling and composting rates, and educating the public about waste management, this system can help to protect the environment and make the campus a cleaner and more sustainable place.

Report on Collection of Waste by Paloncha Municipal Workers from ABIT Campus:

The collection of waste from the ABIT camps is an important part of the institute's waste management program. The program has been very successful in keeping the campus clean and free of waste and it has a number of benefits for the environment and the health of the students, faculty, and staff. The partner we ABIT and the Paloncha Municipal workers for waste collection ensures the effective management of waste generated on campus Through their dedicated efforts the municipal workers help maintain cleanliness and hygiene while promoting responsible waste disposal practices. This collaboration plays a crucial role in creating a clean and sustainable campus environment at ABIT.

Report on Trees Plantation on special days in the ABIT campus

The tree plantation drives on special days at Anubose Institute of Technology campus reflect the institution's commitment to environmental sustainability. By planting trees, the initiative creates a greener campus, enhances biodiversity and raises awareness about the vital role trees play in ecological balance.

The active participation of students and staff in tree plantation events signifies their dedication to environmental conservation. The ongoing efforts to nurture and care for the planted trees contribute to a sustainable and eco-friendly campus environment at ABIT. The tree plantation drives organized by ABIT are a valuable contribution to the environment. The drives help to improve air quality, reduce noise pollution, and cool the campus. They also help to increase biodiversity and enhance the aesthetic value of the campus. The drives are a win-win for everyone involved.

NOW, THEREFORE, IT IS HEREBY AGREED AS FOLLOWS:

1. Purpose of MoU

The purpose of this MoU is to serve as a basis and framework for the Parties to process E Waste Management Audit of Anubose Institute of Technology. (The "Purpose").

2. Scope

- a. The Parties shall meet or correspond as necessary to discuss and attempt to agree on the progress of work relating to the E-Waste Management Audit of Anubose Institute of Technology by the Party2 as per schedule.
- b. The output of the work shall be strictly as per schedule.

3. Work Expenses

The expenses related E Waste Management Audit of Anubose Institute of Technology, shall be fully borne by the Party 1 through ENVIRO COLLECTION CENTR funding to Party2.

Information, Message alerts, document shall be booked as per the standard of Procedures in as per the schedule given by Party2.

4. Mutual Agreements

Parties agree as follows:

- a. Party 2 will offer supportive technical assistance in the data collection for the visit.
- b. The Party 1 will monitor the implementation of each visit for the Purpose for successfully achievement of goals.
- c. Party 2 will give overall E-Waste Management Audit of Anubose Institute of Technology reports that may be necessary to document of program success to the Party 1.
- d. The Party 1 will coordinate, facilitate, and/or provide all facilities which will assist in successful completion of E-Waste Management Audit of Anubose Institute of Technology.
- e. The Party 2 will implement the visits in any manner within its authority.
- f. In case of breach (delay) Party 2 of the terms of this agreement the Party 1 may unilaterally, by serving a written notification, terminate this MOU and ensure works through some other party (ies) as a result of such termination.

5. Duration and Termination.

- a. This MoU shall enter into force from 14-09-2023 the moment of its execution and shall remain in full force till 13-09-2028, the achievement of the Purpose.
- b. The MoU may be terminated by parties by terminating its involvement in the activities set out in this MoU. Such termination shall be in writing to all other Parties and should not result in any kind of liability towards the other Parties
- c. Party 2 shall recoup all the liabilities created under this agreement and the other Parties' obligations that shall survive on termination or expiration of this MoU.
- d. Under no circumstances, whether as a result of breach of agreements, warranty, guarantee, indemnity, tort (including negligence), strict liability or otherwise, shall

MEMORANDUM OF UNDERSTANDING

BETWEEN

ANUBOSE INSTITUTE OF TECHNOLOGY, HYDERABAD

AND

ENVIRO WASTE MANAGEMENT SERVICES PVT LTD

This Memorandum of Understanding is made and executed on
14th of SEPTEMBER 2018.

BY AND BETWEEN

1. ENVIRO WASTE MANAGEMENT SERVICES PVT LTD is a registered company with its having office at PLOT NO 85/A & 85/B SY NO 171 PHASE III, IP, PASHAMYLARAM, SANGAREDDY, MEDAK, TELANGANA, Pin 502307 INDIA (herein after referred to as EWMS PVT LTD which expression shall, unless repugnant to or inconsistent with the context or meaning thereof, be deemed to include its successors and permitted assigns); of the other part.

AND

2. Anubose Institute of Technology, affiliated to JNTUH, Hyderabad; of the first part Anubose Institute of Technology and ENVIRO WASTE MANAGEMENT SERVICES PVT LTD shall hereinafter be referred to individually as a "Party" and collectively as the "Parties", as the case may be.

PRINCIPAL
ANU BOSE INSTITUTE OF TECHNOLOGY
K.S.P. Road, Palvoncha,
Bhadradri Kothagudem Dt, Telangana.

WHEREAS, ENVIRO WASTE MANAGEMENT SERVICES PVT LTD is sustainability, digital technology service provider, with solutions to promote & facilitate recycling activities and also wants to engage with a sustainability partner.

WHEREAS "Anubose Institute of Technology" wishes to be on board with ENVIRO WASTE MANAGEMENT SERVICES PVT LTD its sustainability solution partner to enable the responsible disposal of dry recyclables during the period 14 SEPTEMBER 2018 to 13 SEPTEMBER 2023.

NOW THEREFORE, in consideration of the aforesaid and the mutual promises between the Parties under this Agreement, the Parties hereto agree as follows:

1. Now This MOL Witnessed As Under:

This is an agreement for a synergic alliance between "Anubose Institute of Technology" and ENVIRO WASTE MANAGEMENT SERVICES PVT LTD for the cause of recycling of Dry Waste and to protect environment, conserve natural resources, inculcate the habit of source segregation among the citizens, recover & recycle the dry recyclables which is going to landfill & create a sustainable livelihood to the informal sectors.

2. Scope:

- ENVIRO WASTE MANAGEMENT SERVICES PVT LTD will provide the sustainability solution through its digital technology platform (here in after referred as 'EWMS PVT LTD') to Anubose Institute of Technology for responsible disposal of recyclables.
- Pickup request for disposal of material will be generated on digital dashboard by Anubose Institute of Technology. Required services will be fulfilled by For and on behalf of EWMS PVT LTD and its associated partners
- While this agreement is in force, Anubose Institute of Technology shall ensure that all the dry recyclables will be disposed only through For and on behalf of EWMS PVT LTD or its associated partners.
- Rates for recyclables will be displayed time to time on Recycle.
- Anubose Institute of Technology will raise invoices of the For and on behalf of EWMS PVT LTD to be received against the disposal of recyclable.
- The sustainability certificate for responsible disposal through the EWMS PVT LTD will be provided and the same can be accessed on For and on behalf of EWMS PVT LTD dashboard.
- Anubose Institute of Technology is required to provide necessary entry and exit permissions included, but not restricted to gate-pass, other access formalities to use its space for loading of recyclable and man power movement during the time of pickup.

The Project shall be valid till 13 SEPTEMBER 2018 and can be renewed for additional periods and quantities as per mutual agreement of Anubose Institute of Technology & EWMS PVT LTD

3. Indemnity:

Anubose Institute of Technology shall be solely responsible for collection & storage of category wise recyclables in their premises. ENVIRO WASTE MANAGEMENT SERVICES PVT LTD will share its expertise for segregation of this material.

A handwritten signature in green ink, appearing to be "P. B.", written over the printed name of the Principal.
